UPDATES

ComEd

- As a result of the 2021 clean energy law, your bill will now include an Energy Transition Assistance Charge to support clean energy economic development and jobs training programs.
- PRICE TO COMPARE: The ComEd electric supply price to compare is 7.809 cents per kWh. This price does not include a monthly purchased electricity adjustment factor that may range between +$0.005 and -$0.005 per kWh. For more information and supplier offers visit https://www.pluginillinois.org/fixedrate.aspx. For more information on ComEd bill line items go to ComEd.com/UnderstandBill.
- WAYS TO PAY: Positive changes in the way you pay your bill! Additional fees are no longer assessed on payments made by credit and debit card, or electronic check. And you can now use PayPal, it's secure, convenient and free! Visit ComEd.com/Pay
- STOP ENERGY SCAMS: Scammers may threaten to disconnect service in exchange for immediate payment or personal information. We will never demand payment using prepaid cash cards, third-party banking apps, or cryptocurrency such as Bitcoin. Learn more: ComEd.com/ScamAlert.
- RESOLVING DISPUTES: We are here to help you if you have a dispute on your bill. However, the Illinois Commerce Commission Consumer Division is available at 800-524-0795.

FEBRUARY 2022 VOLUME 5, ISSUE 01

A HEALTHIER TOMORROW STARTS WITH CLEAN ENERGY

Many communities just like yours are striving for cleaner air to breathe and a healthier environment for future generations. To help, ComEd is supporting more clean energy options. Investments in the electric grid are enabling your access to renewable energy such as solar and charging for electric vehicles. Changing how and when you use energy can have a big impact on your carbon footprint.

SOLAR ENERGY

Do you know that the sun is the most abundant renewable energy source? Producing energy with a renewable resource like solar helps reduce carbon emissions and may help you save money.

Try our easy-to-use, interactive, online resources to help you learn about solar and explore your options. **ComEd.com/Solar**

ELECTRIC VEHICLES

An electric vehicle (EV) running only on electricity produces zero tailpipe emissions.

Whether you already own an EV or are considering one for the future, we are your go-to resource. We'll help you understand potential savings and benefits, evaluate the latest EV models, compare your options, and find public charging stations. **ComEd.com/EV**

Good energy-use habits lead to less air pollution, cleaner air to breathe, and a healthier tomorrow. We're preparing for the future now by supporting your renewable energy choices.

It feels good to know your actions today can make a difference tomorrow!

HOW TO SAVE NOW AND ALL YEAR LONG

Opportunities abound!

Take control of your energy use and save on your energy bills.

- Turn the thermostat down when no one is home and at night.
- Schedule a FREE home energy assessment (virtual or in-person) for savings recommendations plus FREE and discounted energy-saving products.
- Apply for rebates on qualifying ENERGY STAR® certified products.
- Find instant in-store discounts on select energy-efficient lighting and home products at a retailer near you.
- Explore pricing programs and rates for more ways to save, including Peak Time Savings and Hourly Pricing.
- ComEd Marketplace is another great resource to help you manage your energy use and find discounted energy-saving products. Visit **ComEd.com/ExploreMarketplace**

POWER YOU CAN RELY ON

What does reliability mean to you? Maybe it's fewer and shorter power outages, or knowing the lights will come on when you get home after a long day. With severe weather possible at any time of year, you can rest assured that we are prepared and ready to restore power quickly, if necessary. Whatever the season, ComEd is committed to consistently powering your home and life.

The best way to stay informed about what's happening with your energy is to download the ComEd Mobile App. You can choose to be alerted if there's an outage in your neighborhood, and when you can expect power to be restored. We'll even keep you informed of estimated restoration times, updated every 15 minutes. Plus there are tools that can help you better manage your bill, including alerts that let you know when your energy use is trending higher than usual. You can even view and pay your bill, anytime, anywhere. With the ComEd Mobile App, the information you need is at your fingertips. Just sign in to My Account and personalize your settings and preferences.

Improvements to the grid have already led to fewer and shorter power outages. Smart technology investments continue to improve resiliency while also enabling your growing clean energy options.

Reliable power and reliable information. That's what you deserve.

Download the free ComEd Mobile App now. Don't forget to sign into My Account to set your preferences for a more customized experience.
